

You could  
**save money**  
on your  
**energy bills!**

Easy, no obligation  
online registration using a  
recent home energy bill.

Sign up to the

# Big Community Switch

## What's it all about?

The Big Community Switch could help you save money on your energy bills.

Seasonal auctions take place and the biggest energy companies bid to offer the best deal to customers. This collective buying power has already resulted in **big** savings for Colchester residents' energy bills.

## What do I do?

To find out more and to register for the Big Community Switch visit **[www.colchester.gov.uk/youcouldsave](http://www.colchester.gov.uk/youcouldsave)** or scan the QR code below.

You'll need information from a recent energy bill; and an email address to register and receive your offer.

There is no obligation to switch once you receive your offer. If you do decide to switch you will be supported through the process...it's easy.

The 24 hour automated helpline **01206 507555** is there to help you. From accessing information on setting up an email account, to getting more energy saving advice.
